

Customer References

City Communications has always put the customer's needs first to find the best solution for the project at hand.

-Community Tire

They give us the comfort and reassurance of knowing whatever project we send their way, they will always put the customer first and provide the best solution.

-Continuity Plus

City Communications helped us with our eRate needs and with our deployment of our video learn initiative.

-Sterling Education

City Communications did an excellent job with converting us over to a MPLS network and new VOIP phone system. Their people were professional, friendly, and knowledgeable.

-Phoenix Regional Hospital

It used to be frustrating to work with telecom companies but City Communications has helped to make that one headache I don't worry about any more.

-Harkins Theatres

Serving over 2000 customers since 2001.
